

The Master's Plan Phase II

Honoring the Past...Ensuring the Future

Congratulations to All!

The Master's Plan Crusade has reached its goal of One Million Dollars! Actually, we have gone just a little over, about 6%. That is the amount fund raising experts tell us we need to raise over the required goal to cover pledge shortfalls and drop outs. Your loving response breathes new strength to this Church's work for God and declares your faith in the ability of this congregation to grow in the Grace of God, the Power of the Holy Spirit, and the Love of our Savior Jesus.

Our next step is to request final approval of the congregation at the Church Conference scheduled for 6:15 PM. Wednesday, May 4th, following the regular Fellowship Dinner (*please refer to the letter from District Superintendent Annette Pendregrass on the next page*). If that is forthcoming, we will complete our remaining preparatory steps and proceed forthwith.

Now, we certainly do not want to deny anyone the satisfaction and joy of being a part of this event. If you have been hesitant, for whatever reason; if you want to be a part of this growth in bringing the word and service of the Kingdom to our community and beyond; you still may do so. This would enable us to recover some of the things we had to cut to meet the revised goal of 1 Million.

If you are new to the congregation, we invite you join us in this project. If you need a pledge card, they are available through the Church Office. If you need more information, please contact Ole Nelson, Master's Plan Committee Chair at 352 367-2384 or olewso@juno.com.

Thank you, and may God continue to bless you and strengthen your faith.
